Dear Parents,

Subject: Subscription to Hindustan Times PACE- School Edition.

Newspaper....a treasure trove of information and knowledge coupled with good expressions that set the stage for success in our lives.

Newspapers keep our children in touch with the current world affairs and extend the horizons of their knowledge.

The last two years has taken a toll on students' academic performance. They are reluctant and in no habit of reading even the text books. To inculcate the habit of reading the school is starting the Hindustan Times newspaper for the students of Grade V.
