

Curriculum Guidelines

Aims & Objectives:

The changing educational scenario has created a need for applying creativity and innovation in teaching, learning and evaluation processes.

Our curriculum provides a totality of experiences and the foundation for all-round development and excellence of children. Above all it aims at making children good human beings and constructive citizens.

Our curriculum is designed on the guidelines laid down by the Central Board of Secondary Education (CBSE), New Delhi.

It not only focuses on knowledge and skill development but also on the overall personality development of children.

Beyond Academics:

The school co-curricular programme provides enriching opportunities beyond the classroom to pursue the areas of passion, explore creativity and enhance inherent competencies.

The co-curricular programme is a part of our school curriculum. Both academic and co-curricular activities make curriculum complete.

Children are given numerous opportunities to take part in various competitions, contests, activities, programs, etc. These opportunities bring out the hidden talents of children.

Numerous co-curricular activities, as well as community service initiatives facilitate children's learning on intellectual, physical, social and emotional levels.

As part of the curriculum, school organizes field trips, picnics, domestic excursions, International excursion, etc.

Numerous competitions, contests and competitive exams are conducted both at intra and inter school level. The sports, literary and cultural activities at school and interschool level bring out fun, frolic, team building and sportsman's spirit.

School organizes various workshops, seminars, etc for the development of competencies and skills such as

<ul style="list-style-type: none">• Cleanliness drive• Nutrition• Etiquette• Time Management• Stress Management• Anger Management• Pro & cons of social network• Spirituality development	<ul style="list-style-type: none">• Study skills and strategies.• Public Speaking• Leadership Development• Career guidance for secondary and Sr Secondary classes.• Good & bad touch for Pre-primary and Primary classes• AEP for Grade VI onwards• Parents Orientation Programmes

Football, Basketball, Volleyball, & Athletics

Non Academic Clubs: Indoor

Chess, Aerobics/Western Dance/Hip hops, etc, Table Tennis, Karate, Wushu, Rifle shooting & Skating.

Evaluation:

The evaluation is one of the important components of school curriculum. The evaluation in school consists of both Formative and Summative Assessments. It is continuous and comprehensive.

Formative Assessments (FA)

Formative assessment is a collection of various formal & informal tools used to evaluate the learning outcome of students throughout the term. It is conducted on a continuous basis. All the tools are student friendly. There are four FAs. FA 1 & 2 are conducted in Term I and FA 3 & 4 are conducted in Term II.

Summative Assessments (SA)

Summative Assessments are pen and paper assessments. It is a formal examination conducted at the end of each term.

Evaluation for Senior Secondary:

All the evaluations at the Senior Secondary level are formal. It consists of Diagnostic Tests, Unit Tests, Half Yearly Examination and Annual Examination.

Pre- Primary Curriculum:

Kids are nurtured to be caring, courteous and compassionate towards others. We develop their thinking, observation and communication skills through varied activities.

We emphasize on positive thinking and create an environment for all round development of personality of kids. We focus on developing qualities of curiosity, exploration and discovery. We create a fun filled and happy learning environment for kids at our school.

The curriculum at the Pre-Primary level is full of fun, frolic and learning. We develop our curriculum at the school level. Our curriculum focuses on cognitive, affective and psychomotor domains of kids. We begin their journey of learning with confidence. Following subjects of learning are imparted at the Pre-Primary level.

Literacy	Language Development	Art & Craft	Physical Education
Numeracy	EVS	Music & Rhythm	Life Skills
